

PAINT FOR CASE TRACTORS AND EQUIPMENT

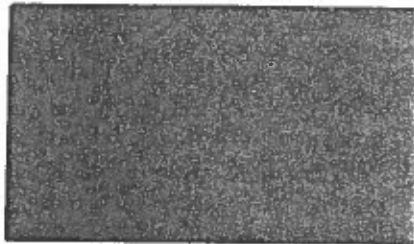

COLOR	CASE NO.	DITZLER (PPG)	DUPONT	NAPA (MARTIN SENOUR)	APPLICATION
LC GREY	N/A		24938		Models L and C except some industrial types
The correct shade is very dark grey. A good match is available from Ditzler using three(3) quarts of Truck Dark Fleet Grey and one(1) quart Fleet Black.					
LIGHT GREY	N/A	32137	87310	99L11464	Models R and RC (Unstyled models only.
DARK RED	N/A	73252	066DH		Steam engines, L, C, R, and early crossmotor wheels.
A very dark red. It should not be used on crossmotors from 1922 on as these units were all grey, including the wheels. This color was also used on some early implements.					
DARK GREEN	N/A	40249	262+	99L8748	Steam engines, early crossmotor and implement parts.
WHEEL GREEN	N/A		6980UAD		Plow and implement wheels only
This number is a Euclid equipment color and is straw yellow green used only on plow wheels, etc. This is the closest match that has been found.					
FLAMBEAU RED	N/A	71282	016DH	99L3727	Models 500, D, S, LA, styled R series. 200 thru 1200 series, 30 and 70 series prior to 1974 were two tone Flambeau Red and Desert Sunset.
DESERT SUNSET	This paint is still available from your Case/C CaseIH dealer. See the next page for the correct part number.				
POWER RED & POWER WHITE	This paint is available from your Case/CaseIH dealer. See the next page for the correct part number.
